RE: In re Motors Liquidation Company, et al., Case No. 09-50026 (MG)

Dear Judge Glenn:

I am writing this status report on behalf of those certain 389 Ignition Switch Pre-Closing Accident Plaintiffs for which my firm, as bankruptcy counsel, filed the Late Claims Motion and supplements thereto (collectively, the "**Andrews Myers Plaintiffs**").¹

As previously reported by New GM, a significant number of the Andrews Myers Plaintiffs were able to reach settlements with New GM at the mediations attended by their respective personal injury counsel. With regard to the status of the claims, I am pleased to report that the only Andrews Myers Plaintiffs who have not reached settlements with New GM and/or who still desire to continue pursuing their claims through the pending Late Claims Motions are the following 9 Plaintiffs, all of whom are represented by one personal injury firm, Kirkendall Dwyer:

1. Bertha Brown
2. Joann Donato
3. Rodney Gentry
4. Chas Grant
5. Melinda Lynch
6. Louella Martinez
7. John McDonough
8. David Pier
9. Shakira Stephenson

¹ See Doc. 14018, Doc. 14112, Doc. 14195, Doc. 14346.

For purposes of any pending litigation relating to the potential late claims, out of the 389 proofs of claim identified in and attached to the Late Claim Motions, only the nine (9) remaining Andrews Myers Plaintiffs identified in this letter will be participating in such litigation. The remaining 380 Andrews Myers Plaintiffs who were included in the Late Claims Motions we filed are no longer pursuing their claims in this case.

Respectfully submitted,

/s/ Lisa M. Norman
